• About The Conference :

Women play a significant role in achieving the goal of 'Atmanirbhar Bharat' (Self-reliant India). They are crucial in realizing the vision of Atmanirbhar Bharat. Atmanirbhar Bharat is regarded as the keystone to build a self-reliant and strong India emerging as a 'Vishwa Guru' on the global platform. Women have entrepreneurial qualities and values. They can contribute to the self-reliant movement. Boosting in our young female population is essential for achieving the sustainable development. IWD-2025 campaign theme is 'Accelerate Action'; collectively, we can take meaningful steps towards gender equality. As part of the 'International Women's Day' celebrations our Women's, College, is organizing a one-day Multidisciplinary National Conference on 8th March 2025. This unique event is designed to showcase and promote awareness of the diverse research initiatives, academic achievements, and societal contributions of higher education institutions across various fields, including Social-Science, Arts, Commerce, Management, Languages, etc. The National Conference on multidisciplinary perspectives will serve as a dynamic platform for interdisciplinary collaboration bringing together scholars and experts from diverse fields to exchange ideas and address pressing global challenges.

• About The Institution :

The founder, Late Hon. Kundanlalji Agrawal established an educational trust under the title "Smt. Dankunwar Hindi Kanya Vidyalaya Samiti, Jalna", (Hindi Linguistic Minority Institution) taking into consideration the need to educate the girls. It was founded with the objective - " शिक्षितः वनिताः राष्ट्रोन्नतेर्मूलम्" i.e. the educated women are genuinely the pioneers of the progress and power of the Nation. The Samittee was founded in 1958. During these 67 years, the institution has built up good reputation. Being the 'Only Women' education institution, it has its own status in the region. The institution successfully engaged in imparting education to girls, we did realize that the vision of the founder is vividly reflected. We feel fully satisfied while imparting school and higher education to women. It indicates how the institute served for the social purposes and the local issues that were dominant and it was impossible in the absence of the institution. The present Management Committee members are dedicated to attain educational goals, sparing their valuable time for the fulfilment of the educational needs of the local community.

• About The College :

Smt. Dankunwar Mahila Mahavidyalaya started with 'Commerce' programme in 1985 and in 1989 'Arts' programme was added to fulfil the dreams of founders to offer the facility of higher education to 'only women'. The foundation of senior college in 1985 was an earnest zeal to provide higher education to girls and necessity to have separate college. The foundation of college was an attempt to empower women through education. In 2000, the Committee decided to run PG program. The consistent record of university merit rank shows how we are trying our level best to accelerate, to sustain the quality to strengthen the continuous improvement and excellence. Taking into consideration the number of women educated during these years, a plethora of women working successfully in various fields, a number of self-reliant women is clearly seen. It was the 'only women's' college in this region and the visionary founder proved to be right in its mission. The college offers diverse UG programs in Arts & Commerce while focusing on nurturing critical thinking, creativity, and ethical values. Our College is dedicated to prepare students for dynamic career opportunities through a supportive and inclusive learning environment.
